## #1 Firecracker Classic Background

The USA Premier Baseball 4th of July Firecracker tournament has EXPLODED from its humble beginnings of 6 teams in 1993, and now an ever expanding national and international event with approximately 220+ teams battling for the Firecracker Classic Championships!

Known for strong competition, high visibility and Championship title with additional berths to the winners make it a great team event you won't want to miss!!! Considered a "MUST ATTEND" by a large following of Coaches Universities / Colleges and MLB Scouts. Team oriented showcase tournament with real championships attracting the best teams and players around - check out the [testimonials](#) and [Big League Alumni...](#)

That is what the tournament is really about, giving players a chance to showcase their talents in an effort to reach the next level... whatever that might be for them. We believe in our youth and have a [USA Premier Baseball College Scholarship Program](#) with \$2,500 available for 4 deserving young men based upon: Love of Baseball, Character, Academics and Community Service.

Southern California is a hot bed of talent!!! Teams across the nation and internationally come to pit their top teams against the best Southern California Teams. Just a sample of one Orange County travel ball team' talent, recently had 21 of their players (current and alumni) including 2 first round picks chosen in this year's MLB draft! USA Premier Baseball Tournaments have proven to be a jumping off point for future major league players with a long list of Big League alumni to cheer on. [Big League Alumni...](#)

"The USA Premier Baseball Tournaments are definitely the best showcase of talent and well organized tournaments around!!! We always considered them as "Must Attend" tournaments for recruiting and are by far superior to any other local tournaments available" - Quote from Head Coach Rick Vanderhook from Cal State Fullerton which was also echoed by numerous other college coaches and professional scouts. See what others are saying - [Testimonials](#)
